## President Art's Message

We have made it to September and the October meeting is still a go! Hope that most of our members will be able to attend. It is always good to see each and everyone of you.

Let's try to do the pink flamingo contest again. Just bring your best, or worst display, of the little darlings. I do have a prize to award to the setup that is judged (by me of course) to be the best.

Katharine reported a good time had by all at the Crisfield rally. Sorry we could not be there as we were on our way to Colorado. It felt good to get back on the road camping again, first time in almost a year, more about that later.

Headquarters asked that each unit update our constitution and bylaws to reflect our name change. Now they said that we do not have to submit them for approval until our normal cycle, I believe ours is due in 2023. I will bring a couple printed copies and an electronic copy for any one interested in seeing the changes.

Be sure to fill out the coupon for the October rally/meeting and send it in to Malcolm.

*See you all soon! TTFN Art*

Pandemic and quarantine are two words that now dictate much of our existence. And, neither of those terms signifies anything of the fun nature. What's more, these unusual conditions have now continued since March. Except, except, except, the Delmarva Unit/Club has stuck their collective foot out the door to a couple of Rallies, thanks to Katharine Dowell, our Vice President. So as we enter the month of October and our Rally season is winding down with a lot of cancellations, Delmarva had another Rally with distancing and masks where appropriate.

That Rally happened in September and is the subject of the cover photo by Past President Donna Field. Thank you Donna for the beautiful sunset photo that showcased what is so often a happening at the American Legion location in Crisfield, MD.

In this issue there is an article on the Crisfield Rally by Katharine, along with some more photos, also by Katharine, and some by participants at the Rally. This Rally also included some of our new members. There are more Rallies coming and the new schedule will be presented at the meeting during the Installation Rally in October. The Coupon for Installation Rally is on page 11 of this issue. The Saturday dinner will be provided with distancing and masks, but breakfasts will not so as to lessen the contact possibilities.

I hear that Katharine has great plans for the new administration and to get some information out in time for reservations, she has asked that I put out a *Save the Date* for a fall Rally to Cape Henlopen on Nov. 6-8. The details available as of now are on the Calendar of Events on page 15. Though not technically approved yet, if you are interested, you are encouraged to make the reservation with the park now so as to get a site. It likely will be approved at the meeting during Installation and become a legitimate Rally on the list.

The photo of the light blue flower was sent to me via Becky Strong. Becky, a past student, takes her dogs for morning walks and gets a lot of nice flower shots. Thank you Becky!

There was a lot of Sunshine news this month, so that dictated a full page. Mary Ann does an excellent job tracking down the issues on our members and writing the article. Contacts with Charlie Carter, and all the people would be a nice gesture.

President Art Potter managed to get some time out with Liz in their Airstream, heading to visit their son's family in Colorado. He took the time to send an article with some photos and that is in this issue of the *Delmarva Beacon*.

Delmarva has lost yet another of our long time members. A memorial page on Charles Pierce is included in this issue. Charlie, as I knew him, has been a member of WBCCI for a long time and served as President of the Delmarva Unit. Thank you to Frances Mason for providing a few remarks on Charles. She is the go to person as her tenure with the club and her writing skill provides much needed material on memorials. The new members will never know Charles, but he will be missed by those who did know him.

The Coupon for the International Rally is included in this issue, but it also available on line. I will likely not run that coupon past this month, but will continue a link to it.

A reminder is in order here too, it's time to renew your membership. Go to the Airstream website and do it. It's really easy and needs to be done before the end of the year to get your name and number in the directory, now to be published in February.

*Glenn*

## ***SUNSHINE NEWS- Mary Ann Parks, Chair. October 2020***

**H**ope all of our Delmarva friends and members are able to enjoy the cool, crisp early autumn days after such a sweltering hot summer. But, I must admit that we are not looking forward to cold, snowy winter days up north, as we can no longer consider ourselves “snowbirds”!

Les and I have promised ourselves to get out and walk every day anyway!

This month’s “Sunshine” letter has some “sunshine” included, but there are also some “stormy, rainy” updates on our dear Delmarva folks -

- Update on our friend Charles Carter. Charles suffered his third stroke approximately six weeks ago, leaving paralysis involving the left side of his body. After several weeks in the hospital and rehab, Iva Lee brought Charlie home. And you know Charlie is receiving the BEST care in the world from “Head Nurse” Iva Lee! As with strokes, recovery can be a very long process! This is where we, his Delmarva “family” can help Charles and Iva Lee! Charlie WELCOMES CARDS, VISITS, AND PHONE CALLS! Call ANYTIME!!!! Charlie needs LOTS support to help him recover! We CAN’T LET THEM DOWN! WE CAN DO THIS, FOLKS! Their address - 79 Hickory Dale Dr., Dover, DE 19901. Phone - 302 677 0262

- Charles Pierce, long time Delmarva family member, passed away on September 3, 2020. Many of you recall fun times traveling with Charles & Dottie. After Dottie’s passing, Charles was married to Mary Jane Mathewson for six years, and they spent many special times in their Airstream at Port Delmarva RV Park, where Charles served as longtime Treasurer. He was also a “Past President of Delmarva Unit of WBCCI.

- On the “sunshine” side of the news- Phil Cruchley underwent very “successful” hip surgery in August, in fact, so successful that he is about to “put the cane back in the closet”! But, Phil needs our prayers for a heart procedure on October 5th. As Phil says, “Old age is not for sissies”! He still undergoes kidney dialysis three times a week, and continues on with his “positive attitude”!. Keep up the GOOD work, Phil!

- Very “sunny” news from Frances Mason- Frances happily shared the news that she is now a “Great” Grandmother to a precious little baby girl! “Avery Lynn” was born several weeks early, but is home with Mommy & Daddy and is doing well! Frances is doing well, and so excited to have her precious Great Granddaughter. Frances’s daughter Alita lives nearby and joins Frances at her home on Sunday mornings to enjoy “online” church services. Frances is Blessed to have her three daughter in the area!

- Margaret Morris is doing well, and keeping busy. Her daughter Kim had visited recently and helped with “hone projects. Her son Carl and daughter in law Jeanne had just driven down from PA for a weekend visit.

- Millie Brown is doing well and spends time helping John Chromy and driving him to his appointments. John can use some of your prayers also.

I hope I have included all of our special Delmarva folks who will appreciate your prayers, well wishes and cards! This “pandemic” time can be very challenging for all if us! Frances shared our feelings so well when she told me, “I haven’t had a HUG since March! That is a L. O. N. G. time! So my new “mantra” is-

“WE WILL HAVE. MORE. FUN. IN. TWENTY. ONE”!

Blessings & prayers for better days ahead!

# *Crisfield American Legion Rally Weekend*

*Article by Katharine Dowell, Photos by Katharine Dowell, except where noted.*

**O**ur Club hosted yet another 2020 social --but physically distanced, Rally. The rally was held on the grounds of the American Legion Post 16 in Crisfield, MD September 10-13. The sites, waterfront on a point, all afford electric and water, and offer a panoramic view of the Little Annesmessex River. Nine member units including a motor home were in residence. An additional prospective member unit attended. About 5 units arrived a day early on Thursday and were treated to an amazingly colorful sunset.

Members at the event included Andy and Katharine Dowell, Donna and Mike Field, Chuck and Maggie Helwig, Ashley and Mark Hitzig and Chris Clauson, Deidre Matthews, Laurie and Bob Pullman, Roger and Celeste Sansom, Carolyn and Tom Spiezo, and David Ziara. Future members Sarah and Mike Cooksey also attended. Katharine took photos of everyone with their rigs, working on her Club Directory project.

Although the weather forecast was not initially promising, fortunately we were all able to enjoy the overcast then sunny weather. Friday, Bob, Andy, and Chuck took a spin on bicycles to the newly completed rail trail out of Crisfield. Saturday night a shrimp and crab feast was enjoyed by several at the picnic tables. The fire pit provided a popular gathering spot for all both Friday and Saturday nights. S'mores and adult beverages were consumed.

Both Saturday and Sunday mornings a group of paddlers departed from the beach at the Legion Post to head north to Janes Island State Park. Pullmans and Dowells, plus Mike Cooksey enjoyed the water. Both mornings, the trip was most enjoyable and scenic -- despite a stiff headwind on Saturday and milder breezes on Sunday. Upon viewing the landing site at the park marina, and the RV sites, folks suggested the park might be a good future rally site.

Sunset at Crestone CO

**W**e left home (Cleveland TN) on Aug. 25th and stopped the first night in West Memphis, Arkansas, at the Tom Sawyer Campground on the banks of the Mississippi River. The river level was 15 to 20 feet lower than we remembered from our spring of 2014 trip, but still had the huge barges moving up and down it. It is just fascinating watching something that big being controlled by a small tug boat! Next day it was off to Fort Smith, AR, where it was raining just like it did on our 2014 trip. Have we got the luck or what! Still light rain on Thursday morning as we head to El Reno, OK, (just West of OKC) lots of sun and very warm. Weather report for Friday in OKC was for the hottest day of the year at 102°, which we were not concerned with as we were leaving that morning. Well, we did avoid that 102° temperature and arrived in Amarillo, TX, to 106°! Like I said, have we got the luck or what (: One thing of note in Amarillo is the speed limits, coming into town on I-40 the speed limit drops to 55. Exiting the freeway onto the 335 loop the speed limit goes up to 65, then turning off of the loop onto Amarillo blvd it goes up to 75! Stayed at the KOA where it took most of the evening to cool the trailer off enough to get comfortable before bedtime. They say you don't feel as warm in the "dry" heat, but I say 106° is darn hot, dry or wet!

Then on to Albuquerque NM for 2 days (laundry basket was full) before getting to Crestone CO and our son's house. Had a good visit for one week of a planned two when the weather man announced that Monday (labor day) was the end of summer and Tuesday with a high of 40 and lows in the 20's with snow would be the beginning of winter! I know weather can change quickly in the mountains but that is a drastic change even for that area! Not being ready for winter camping (no coats, boots or warm sweaters) we beat a hasty retreat back down to Albuquerque where it was 100 and hazy with all the smoke from the west coast wild fires. The next morning it was 43 and very windy for 2 days(at least it blew the smoke away) before we could get back on the road for home. It was an interesting trip (aren't they all?) Can't wait for next year when we hope to go again.

# *In Memory*

**Charles  
Pierce**

**President Delmarva Unit #026 2004 -2005**

Charles Herbert Pierce, known fondly as “Charlie” to good friends, age 88 of Wilmington, DE, passed away on September 3, 2020 in Seasons Hospice, Christiana Care, Newark, Delaware. Charles was a man of faith and all who knew him would describe him as a kind, caring, and gentle man.

Charles was born on February 21, 1932 in Embreeville, PA to Herbert Ariel Pierce and Ida Cecile Pierce (nee Hobbes), who predeceased him. He attended many class reunions with the Unionville High School class of 1950 and was a 1952 graduate of Goldey-Beacom College. Charles served in the U.S. Army from 1952 to 1954 and was a supervisor in the stockholder’s relations department at E. I. du Pont de Nemours & Co., retiring after 38 years of service in 1990. An active member of Aldersgate United Methodist Church, he also regularly attended Epworth United Methodist Church in Rehoboth, DE. He was a longtime treasurer at “Port Delmarva” in Rehoboth, DE and in his retirement, enjoyed golf, bowling, and RV traveling serving as president of the WBCCI (Airstream Club) DelMarVa Unit.

Charles is survived by his dear wife of six years Mary Jane Mathewson Pierce (nee Hammond) who has been a dedicated caregiver during health challenges in his final years. In addition, he is survived by sons Jeffrey Scott Pierce and Craig Allen Pierce (Barbara) (children from his marriage to Joan Pierce, surviving); and grandchildren, Christine and Michael Pierce. Charles was predeceased by his sister Dorcas V. VanHorn (Brother-in-law Donald, surviving).

He was also predeceased by his wife of 35 years, Dorothy A. Pierce (nee Lewis) and is survived by her children; Diane E. Messick (Bob Mangs) and Deborah M. Hohlt (Richard); two grandsons, Paul Mezzatesta and Luke Hohlt: and, great-grandson, Kurt Mezzatesta.

Charles will be laid to rest on September 22, 2020 at the Delaware Veterans Cemetery in Bear, DE. Due to the COVID-19 pandemic services will be private. In lieu of flowers, the family suggests donations be made to Aldersgate United Methodist Church, 2313 Concord Pike, Wilmington, DE. 19803 or Epworth United Methodist Church 19285 Holland Glade Road. Rehoboth Beach, DE. 19971.

## **Remembering Charles Pierce:**

The “Old Timer” Airstreamers will remember when Charlie and Dottie Pierce, with their spacious Land Yacht motorhome, joined the Delmarva Unit. They quickly became active members and Charlie served a term as president of the unit. They already had friends in the unit since Dottie and Mary Jane Mathewson had been friends for years.

Sadly, Dottie died, as did Mary Jane’s husband, Pat. Charlie and Mary Jane continued the friendship and were married June 14, 2014.

Charlie was an active member of Port Delmarva campground in the Rehoboth Beach area and served as treasurer there for many years.

Charlie will be remembered by the “old timers” of the unit as a pleasant, cheerful friend who always had a smile and a good word for everyone. Our sympathy to Mary Jane and to Charlie’s family.

*Frances Mason*

This time last year, I was writing about our having just returned from the Ontario, Canada, Airstream Club Installation Rally as well as the Pennsylvania State Rally out in Centre Hall, PA. Unfortunately, those did not happen this year, but I am pleased to say I had the honor of installing the new Ontario Club #124 Officers again, via Zoom. Kathi and I do intend to be at a Watchung NJ Airstream Club Rally up in the Delaware Water Gap area of PA over the Columbus Day Weekend, then down to the DelMarVa Airstream Club Rally in Centreville, MD before wrapping things up at the Keystone Airstream Club Rally down in Harpers Ferry, WV the first week of November. Did I just say November? Truth be told...I will be glad when this year is in the rearview mirror and the sun is rising on the horizon of a new year with a lot of bright optimism shining through the clouds.

This is always a busy time with the last few rallies on the calendar, new officers being installed and the first reminders for renewing our Airstream Club membership arrive. It is never too early to renew, and the best way is to visit our [airstreamclub.org](https://airstreamclub.org) website and renew online. <https://airstreamclub.org/current-members/membership-renewal> It is less of a burden on HQ and on your own local Club Treasurers when you renew online. And this year, you can renew any time before the end of the year and still be included in the 2021 Membership Directory. If you recall, the change was made at the Summer IBT to produce the Membership Directory for February distribution, giving everybody who renews in 2020 an opportunity to be included. Good stuff...now go renew!

As mentioned, most of our local clubs will be holding their officer elections and installations over the next months. Thank you to all who served under difficult circumstances this year. Additionally, we send our congratulations and thank you to all who have volunteered to lead their clubs in 2021. Except for the handful of paid staff at HQ, our Airstream Club runs completely on the strength, enthusiasm, and commitment of its members. Those that step up to contribute their time and efforts for the benefit of our members deserve our encouragement and support. Speaking of volunteering...the Region needs a 2nd VP for next year. As I complete my term, our two VPs will move up, creating an empty chair. Please consider taking a leadership position in the Region. It is an honor to sit on the Board of Trustees of the largest, oldest, and BEST single brand RV club in the world. It is a fun and rewarding experience to be part of the growth and progress our Airstream Club is experiencing. Please reach out to me with questions about the many benefits of serving as a Region officer.

We are looking into a location for the 2021 R2 Rally in the US as the prospects of traveling across the border to Rally in Canada are now nil. We will keep our options open for a 2022 in Ontario and concentrate on a "new normal" type Rally in the States for next year. It may wind up looking a little different, but the goals of the R2Rally will be the same...a safe and fun gathering of friends to celebrate our Airstream Club and Airstream lifestyle, conduct a Business Meeting, install our new 2021 Region 2 Officers and get ready for the International Rally in Lebanon, TN. Stay tuned for details...

Lastly, our Region 2 Caravan Leader Kerry Mattila is putting the finishing touches on a Region 2 Autumn in the Maritimes Caravan scheduled for 08/31-10/02/2021. This Caravan will be the precursor to a National Caravan for 2022. Kerry is an excellent and experienced Caravan Leader and has put a lot of time and effort in this. Watch our Region 2 website for more info or contact Kerry at [124caravan@airstreamclub.net](mailto:124caravan@airstreamclub.net)

Kathi joins me in sending best regards to our Region 2 Airstreamers. Stay well. See you down the road.
